HAGGARD--Mrs. Katie Robertson, 2414 First Ave., Safford, Ariz. 85546 searches for her great-grandfather's history. ALFRED HAGGARD, b. Ga. in 1799 married ANNA _____ about 1820. She was b. 1797 in Ga. or Va. Their children were: Solomon Henry, b 1826 m Clemenza Smith in Tenn.; Serena or Cyrena b 1825 m William Halford in Tenn.; Bethena b 1831 in Tenn. m William Toler; Jonathan b 1839 in Tenn. m. Margaret _____ in Pa. or Ill.

The family were Baptists. Alfred and his wife moved on to Missouri, in Newton Co., Jackson Township in 1860. Solomon Henry went to Boone Co., Ark. by 1850. Serena Halford and husband and 7 children to Jasper Co., Mo. in 1850. Bethena Toler to Newton Co., Mo. in 1860. She is then married to Mathew Hurst but has 3 Toler children living with her. William Toler must have died earlier-between 1857 and 1860, but where? John Haggard went to Mo. (Jasper Co.) in 1860-1870.

Mrs. Robertson wants to locate Alfred Haggards parents in Ga. from 1799 on back. In Jackson co., Ga. in 1798 there is a Haggard (Sam'l) and wife NANCY HIX. Samuel was b. 1745 in Va. said to have had 15 children, with last one being Alfred, b. 1799, Baptist minister.

Three Alfred Haggards were born about the same time: James, son of Sam'l and Nancy had a son Alfred, b. 1800 in Ga. or Tenn. Samuel, son of Sam T. and Nancy had a son Alfred b. 1797 in Ga. or Tenn. And her Alfred, b. 1799! Nancy Hix Haggard died in Jackson Co., Ga. in 1799 or 1800. Samuel then married RUTH EYRE in 1804 in Jackson Co. Samuel died 1810, will recorded in Jackson Co. 1811, final settlement in 1836 there.

Mrs. Robertson says her alfred had a son JAMES HAGGARD, b 1820 in Tenn. m. EMILY _____ came to Madison Co., Ark. 1850-1860, and had 9 or more (10) children)

Mrs. Robertson mentions that some records mention Samuel Haggard's wife as Ann Hix not Nancy. We often find the "nickname" Nancy replacing the Christian name Ann in early records. She was probably named Ann but called Nancy.

HAGAN HISTORICAL SOCIETY - NEWSLETTER

*** March 1987 ***

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

We have no new members to report although we've had some inquiries that may develop into new members.

QUERRY - Elizabeth Hagan, b: 09 Jun 1815 in PA, m: Nelson Gosling 07 Nov 1833 probably in Fayette County, PA, d: 20 Jun 1865 Brownsville, PA. Who were her parents? Who were her siblings if any? Will exchange info with anybody researching Hagans in SW corner of PA or Alleghany county, MD. K. Art, 3000 Thayer St, Evenston, IL 60201.

CORRECTION In the last issue, we reported LYDIA HAGAN m John Smith Barlow as progenitor for Karen Wagner - new member. We showed Lydia died in Maryland - this is incorrect - Lydia died in Missouri! In addition, we are not sure of the correct spelling of her name - Lydia, Lyda, Lybia all may be the same person. Karen has sent us the family sheets on the Barlow family; descendants of Lydia Hagan Barlow.

BETTE HAGINS KELSO is alive and well! She has just been too busy to do any research or write to anyone. I made a trip to the West Coast of Florida and looked her up in Cocoa Beach. We had dinner and discussed the fact that her beautiful auburn hair is traditionally Hagan. She will try to get me a print out of her Hagan files and I'm going to try to find some way to preserve them along with the files that I have accumulated. Many of you will be glad to know the Editor & Publisher of WHERE HAVE ALL THE CHILDREN GONE is well and working hard. She does not, however, plan to begin publication again soon. We will miss her work on the Hagan and related lines but understand her situation.

A MEETING IN MISSOURI - A card from Alice Cole states:

"There is to be an assembly July 8-9-10 at the Cannon Dam, MO of people whose Catholic ancestors migrated from MD to KY, IL, or MO. This is not for profit or sales but to exchange data on those old family lines. Ronald Leake <P.O. Box 1643, Bloomington, IL 61702> is one of the researchers & has sent me a lot of Hagan material including our Leonard & Bennet Hagan. He said many names in the cemetery near Monroe City, MO are the same as in Union Co, KY & our St. Augustine, IL cem. I sent him some names and addresses including yours -----."

Several of you have some of your family who traveled to MO and will be interested in this meeting. It seems to be a new source of material on Hagans in Missouri. If you plan to attend this meeting, you should try to allow some time to do some research in the Missouri Archives near Jefferson City, MO.

Sorry this edition is so short but there seems little news to report. I'll be back in K.C. the first part of May. Until then, mail sent in April will reach me at GENERAL DELIVERY, ALEXANDER CITY, AL 35010. Of course, mail sent to my N.K.C. address will be sent on to me or held for my arrival.

In the meantime, keep digging up the info. We can get it all together if we try.

We are happy these people decided to join us. As our numbers increase, so do our chances of finding significant data regarding mutual family interests. We are especilly happy to welcome the Mormon Library in Salt Lake City.

WE ARE TO HAVE A NEW PRESIDENT - The time has come when I just do not have the time to continue writing the newsletter. My book has been delayed to the point I must cut down on my activities in order to get it written and take care of some other pressing things. **JOAN WIGGINS** has agreed to become President and take over the publication of the newsletter. She will do a whale of a job! I know Joan personally and her qualifications are much better than mine.

There will be some delay in the next issue as I plan to take all of the files to Joan about the middle of September. It would be a terrible job to bundle all those files up and ship them! She will also advise you of "dues" etc.

I have sincerely enjoyed publishing the newsletter and am very thankful for all the wonderful friends I've made since starting this in 1984. I thank each of you sincerely for your contributions in material and money that helped us grow.

HAGAN-HOLLAND REUNION If you are a descendant of Edward Hagan, b: 1755 in Wrightsborough, you will be especially interested in the Hagan-Holland reunion to be held --- 04 SEPT 1988 at the FELLOWSHIP HALL of the HIGH SHOALS MISSIONARY BAPTIST CHURCH in Paulding County, Georgia. This is the area where Elizabeth Hagan married Archibald Holland and raised a family. Can you imagine walking through the woods, viewing the creeks, seeing th actual hills and valleys once trod by Elizabeth and Archibald? Edward was bound to have visited his daughter and son in law there, too! Then there is the Historic Oak tree planted by Archibald and Elizabeth. How else can you get so close to History? Special arrangements for lodging are in the process. If you would like more information, write directly to Mrs. Jeanette H. Austin, 2018 Levgard Lane, Riverdale, GA 30296 - or to - Hon. Hubert G. Holland, 7 Atlanta St, Suite A, Marietta, GA 30060.

HAGINS FAMILY REUNION The descendants of John McMurray Hagins & Adaline Agnes Kirk Hagins held a family reunion the weekend of June 4th & 5th in the Elgin Community near Lancaster, S.C. This has become an anual event. If you think you might care to join them in the future, write to Lawrence Hagins, 405 Camellia Cir, Lancaster, SC 29720. One of these days, I'm going to try to make all the Hagan/Hagin reunions that I can. It will be fun to meet a lot of people who may turn out to be "kinfolks".

CYPRIAN HAGAN REUNION Dr. Sid Hagan called and advised the descendants of Cyprian Hagan gathered at Monroe City, IL for a reunion recently. I didnt get all the dates but understand they had a wonderful time.

I want to stand up and cheer when I hear of a teacher who is more interested in their work and whether the students learn than the ethnic squabbles raised by some teachers in adjoining states. Stay in there, Elaine! We are proud of you!

EDWARD WHO???? Several have questioned whether Edward/Sally Youngblood and Edward/Hearty Porch were one and the same. Now we have some concrete evidence that they are not! Dr. W. W. Boyett sent me a copy of the marriage license, return, and bond on the Edward/Sally wedding. It clearly states that it is EDWARD HENRY HAGGINS who married Sally Youngblood - Not Edward Simeon Hagins.

This is going to upset the apple cart in a number of places. It is so complex that I'm happy to pass this one on to Joan Wiggins. The next question would be "Who is the father of Edward Henry? " It obviously is not Edward b: 1755 in Wrightsborough.

With that thought, I bow out as President of THE HAGAN HISTORICAL SOCIETY. May each of you have the very best luck in tracing your ancestors. You will hear from Joan.

Mrs. Davis has pictures of the eight daughters of Archa Hagans and a letter written to James Travis Hagans during the Civil War from George Moore. John C. Hagan was killed at Sharpsburg, MD as Grandpa Moore looked on. At bivouac that night Grandpa is said to have told a buddy, "let's go to that battlefield and try to find John's body and bury him. So they found him lying there and shoveled out a grave and buried him. John's younger brother, Travis Hagan was in the war one year earlier than John and Grandpa. He was 17 or 18 and scared to death as well as homesick almost to death.

These articles from Mrs. Davis certainly make history and the past very real. JW.

NOTICES

My most sincere thanks to all of you who wrote me such nice letters of encouragement. It was far and away above the call of duty. Nevertheless, your kind words are appreciated. Please give Joan the same wonderful cooperation and help you gave to me while I was publishing the newsletter. Sincerely, Tom Hagan

HAGAN, ARTHUR; HAGAN JONAS: Please note the following family groups. There is no obvious connection between Arthur Hagan and Jonas Hagan, but I believe that Arthur may be the father of Jonas. I continue to find Arthur and his other children on the same pages with Jonas in the earlier Census of Barren and Monroe Counties Kentucky. In the Kentucky Land Grant Book, Jonas Hagan settled on the same watercourse or area as the above mentioned in the same time period. I would like to hear from anyone with knowledge of this family.

REMARKS: Records in the Coosa County Court House show the Estate of Edward Hagans was settled in Nov. 1880. The same piece of land was purchased by Edward in 1849 and Martha's name was not on the deed. Either that was a practice then, or, they were not married at the time of the purchase. After the property settlement in Nov. of 1880, James Patterson married Sudie Bryant in Dec. of 1880 and moved to Texas after Sandy was born in 1886.

Dear Mrs. Rodgers:

Enclosed is a copy of the article where I got your name and a copy of the letter sent to me by one of our new members.

THE HAGAN HISTORICAL SOCIETY is very young and it is not "well organized" yet. We have banded together only to help each other. Until the cost of publication goes beyond my means, there is no charge for membership or newsletters. We would welcome you. Just send me a "brief" on your ancestors and some information on where they were and when.

At the present time, I am recording information from members on my computer and try to notify each one when a match with another member's family occurs. I did not find anything in my files on your ancestors mentioned in the article but have one or two new contacts each week.

I am especially interested in the Prentiss County area of Mississippi. Just two weeks ago, I found a 1900 and 1910 census record of my grandfathers sister there. She was LAURA HAGANS PINSON.

A print out of my earliest ancestors is enclosed. In the last 30 days, we think we have found the name of Edward's father and mother. We think it may have been CHARLES HAGANS married SARAH (SALLY) PULLEN in Georgia ca 1813. There is also some evidence that Edward may have been born in 1814 instead of 1813 as I have it.

Edward was born in Georgia, Martha born in Alabama and their 4 children were born in Alabama. I have not found a legal record of the marriage of Edward and Martha.

John Jay Hagans moved to West Texas about 1885 or 1886 after the death of his first wife.

Laura married John D. Pinson in Alabama, lived in Clay county (North of Alexander City and Goodwater) until they moved to Mississippi sometime between 1885 and 1900.

James Patterson Hagans married Sudie Bryant in Alabama, had their first 3 children there, moved to Smith County, near Tyler, TX., about 1885. He and his brother, John Jay, were not "close" and did not contact each other while in Texas. J.P. and Sudie are buried in Whitehouse, TX. (10 miles south of Tyler.) *He dropped the "S" from his name when he moved to Texas,*

Emily was born, married, and died near Kellton, Alabama.

The "back issues" of our newsletter are enclosed as I feel that you will want to be on our mailing list. If you have the name and address of a genealogical society in or near Booneville, MS., Prentis County, I'd like to correspond with someone there. Prentiss county is in the N.E. part of the state while you are in the S.E. part.

I'll look forward to hearing further from you.

Sincerely

Tom Hagan, Pres.
Hagan Historical Society

Dear Betty:

Your letter was written Nov. 28 and I received it in due time. However, I have been very busy as I'm sure you have been busy also. Christmas is a wonderful time of the year but it seems I leave so much to be done at the last minute.

I have recorded the names you sent in the computer and checked for matches. As yet, I have discovered none. For some reason, the name "Amy Hagan" sticks in my mind. I don't know why yet.

I'm sure you got your copy of the newsletter. As soon as I get clearance from our newly found "Florida connection", I'll send it to you. I rather feel that she may have a lot in file on the Peter Hagin family. No evidence, just a "hunch".

Have a good Christmas and New Year. Will be in touch later. You sound like a good "researcher" to me!

Sincerely

HAGAN RESEARCHERS NEWSLETTER

Page 1.

GREETINGS TO ALL:

Many of you have indicated you think its a good idea to have a "newsletter" go out occasionally to all concerned to keep up to date on information on the Hagan family research. First a few general guide lines.

COST

While I am certainly not wealthy, I feel that I can afford what little cost is involved in mailing these letters to each of you. It may not last, but, for the time being, there is no cost.

MEMBERS

At present, I plan to mail to each and everyone that I know of who has done or wants to do some research on the Hagan family line. This is based on the idea that each one will contribute research and/or information that will be of interest to all. When and if the time comes when some are not contributing and it seems their interest has dropped for reasons unknown, I will take the liberty of dropping them from the mailing list. Does that seem fair?

CORRESPONDENCE BETWEEN MEMBERS

Feel free to contact anyone you like. Others you know of who might be interested in joining our "low cost" club, should write to me. Keep me up to date on any changes of address.

REGISTERED

I have taken the liberty of registering my name and address with the RLDS church genealogical department, FAMILY REGISTRY, as coordinator of the Hagan Family research group. I am a member of East Alabama Genealogical Society, The Genealogical Society of Original Muscogee County, (Columbus, GA.) and the Heart of America Genealogical Society here in Kansas City.

MEMBERS

These are the names and addresses that I have to start with. If you know of others who should be included, just let me know.

I should note here that Mrs. Sallas is not interested in the Hagan family but I felt that our news should be recorded with her as she would be most likely to know of other people interested in the family name.

SPELLING

Variations in the spellings include HAGAN, HAGANS, HAGIN, HAGINS, HAGEN, HIGGINS. There may be other variations we should watch also.

IDENTIFICATION

We should agree on some way to identify people we write about. I suggest "Edward/Gilly" to make it known we are speaking of the Edward Hagan that married Gilly Tankersly. Then Edward/Martha and Edward/Hearty would be recognizable. If someone has another idea, please let me know. (We don't always have the date of birth).

The latest news

From my visit with BILL SHERWOOD in Michigan. -
Edward Hagin (Hagan) b. 1755 in Wrightsborough, SC. married Elizabeth ???, then Hannah ???.

Children

- | | |
|-------------------------------------|---------|
| 1. James Hagin | b. 1775 |
| 2. Edward Simeon Hagin (Hagan), Jr. | b. 1782 |
| 3. Daniel Hagin " " | b. 1788 |

EDWARD SIMEON HAGIN, JR. (#2 above) b. 1782 in Wilkes County, GA. first married Sally Youngblood, then Hearty (or Hearly) Ann Porch. They had a son, EDWARD HAGIN III b. 1807 in Clark County GA.

It is well documented that EDWARD HAGIN, III, DID NOT LEAVE GEORGIA AND COME TO COOSA COUNTY AS WE HAD THOUGHT.

UNLESS EDWARD HAGIN, JR. HAD TWO SONS NAMED EDWARD, (which is not likely), THEN EDWARD/GILLY AND EDWARD/MARTHA COULD NOT BE THE SON OF EDWARD/HEARTY.

BILL SHERWOOD gave me a copy of the genealogy on the Hagin family of Edward Hagins/Elizabeth/Hannah. I'll get it on the computer soon if some of you want a copy.

FROM JORITA HAGINS

(I should mention here that Jorita has been in the hospital with surgery and is not yet able to consult her records at home. In addition, she has some personal problems in getting those records brought to her.)

" Edward Hagins is the son of the Hagins that settled in N.Y. His grandfather and brother are the original settlers that came to the states, with 3 women, in (about) 1652. The grandfather landed in the N.Y. area, went to Penn., inter-married a cousin named Laura, moved to South Carolina. The son was either Jeromonie or Benjamin. He married first in S.C. and second in GA. as you have it.

Edward's great Uncle moved to Missouri, Ala., Georgia, S.C. and changed the spelling to Hagins. (The brothers had a fight).

His son, Able Benjamin Hagins, was my great grandfather.

The Martha that you have is the second Martha. The first Martha was the great grandfather's second wife, was also a distant cousin, and came directly from Ireland in about 1680. She was real young when she married, about 14 or 16, and he was about 45 or 50."

Although the above is not clear to me, Jorita mentioned that she will make it all clear when she can get to her charts and other material. This is the first time I have heard from any one who has an idea of when the original Hagans came over from Ireland.

This is about all I have that I can report at this time. I'll have some time in the next 4 weeks to put some more on the computer. I've learned that you have to put something in the computer before you can get something out of the computer. Remember, I have to do a lot of fishing, too! Then, in Oct., I'm going down to Texas to "get in a little grandbaby loving time"!

Good hunting to all of you.

HAGAN RESEARCHERS NEWSLETTER

OCTOBER 5, 1984

GREETINGS TO ALL:

The response to the idea of a Hagan Group of Researchers has been somewhat less than great. Four thought it was a great idea, the rest didn't seem to care one way or the other.

Judy suggested some names:

- | | |
|--|----------------------------|
| 1. - THE HAGAN HUNTERS | 2. - HAWKING THE HAGANS |
| 3. - THE HAGAN HABIT | 4. - HISTORY OF THE HAGANS |
| 5. - HAGAN HEIRS - HAGAN' IERS - HAGAN' EERS | |
| 6. - THE HAGAN HERITAGE | 7. - A HOST OF HAGANS |
| 8. - THE HAGAN HISTORIC SOCIETY | 9. - "HAGAN HODGE'PODGE" |

I don't have a real strong preference but kinda' like THE HAGAN HISTORIC SOCIETY. That is a matter of personal preference because I intend to include a lot of extra material in anything I might decide later to publish for the family. Do you have any suggestions? Want to drop me a line?

Finally, the genealogy on "A HAGIN FAMILY" is on the computer. I must say it took me a lot longer to do it than I anticipated. It consists of A Preface (one page), a brief outline of the descendants (3 pages), the genealogy itself (15 pages), Documentation (5 pages), Index by last name (6 pages), and Index by year born where available (4 pages). It will cost about \$3.00 for printing, postage, and mailer. If you want a copy, send me three bucks! If you can't afford it, drop me a note and I'll send you one anyway. (Just don't want to send it to anyone that doesn't really want one.)

Mr. Boyett and I have had some correspondence on "WHO IS EDWARD'S (MARTHA) FATHER? He has just about convinced me that it was Charles as mentioned in Brewer's History of Coosa County. I am about convinced that Edward/Martha and Sherod P. were brothers and both sons of Charles.

For the time being, I intend to concentrate on Charles. If anyone has a reliable record of the 1820 and/or the 1830 census record of Charles in Georgia, I'd like to have it. Also, we need to know definitely where Charles was in 1840.

Has anyone given any thought to my suggestion of combining all of our census records together on the computer? I have a good form started and would only need to add one more item; "SOURCE". In that space, I could code each one by name of individual who sent the census to me. Right now, I'm in the process of putting names and info on the computer so I can compile all the information that I have on each individual.

I'm leaving for Texas tomorrow (for 2 weeks). Let me hear from all of you that are interested!

Greetings friends:

I felt it was about time to get out a letter to everyone interested in the Hagan (with various spellings) name. At this writing, I do not have permission from anyone to give out their name & address but feel that we all have a mutual interest.

If you do not care to share information with others, please let me know by return mail. No excuse is necessary. Just let me know that you do not care to exchange information and that will do it.

The enclosed information is only a rough draft of some information I have received from several sources. It should not be considered authentic until we have all agreed that it is accurate.

Please look over the information and see if you have either verified or found it incorrect; all or any part.

Unless someone objects, I plan to act as a "secretary" and record all verified information on the computer for re-distribution to those shown at the top of the page. I'll be glad to add anyone you suggest to the list provided you feel that person is willing to contribute to the research.

The name Mrs. Marie Hughes Ross has come up. Anyone who has her address is asked to send it to me as she may want to be added to the list of researchers.

This letter is a suggestion! Please let me have your opinions.

NEW ADDITIONS TO THE FAMILY:

Lets all get busy and get some information to fill this area.

NOTES FROM THE EDITOR:

It has been a very rewarding experience publishing this first volume of the newsletter. I have made many new friends and hopefully have filled a vacuum that existed in our communications. During this time I have

WHERE HAVE ALL THE CHILDREN GONE ?

discovered many things, among them the need for a family association and regular reunions. I have just had the good fortune to be put in touch with a Mr. Tom Hagan, who is publishing a HAGAN RESEARCHERS NEWSLETTER and who has formed the Hagan Historical Society. We have had a lengthy discussion and have begun to exchange data. We also have Jean Mearns and Marvin Barker who publish the HAGAN HERALD. We spent years looking for these types of newsletters and now we have three in just a little over a year. It is wonderful. Tom Hagan and I have different types of computers that at this point won't talk to each other, but we are looking into ways of transferring data so that we might both benefit. Now we really need volunteers to start setting up reunions. The family association could be for the benefit of all of the persons that carry some variation of the name, as it seems that many of the families carry the same legends and traditions, giving a strong possibility that we are connected someplace along the line; and could coordinate the efforts of those desiring to set up reunions, help with newsletters and supply funds for research, medical knowledge, school assistance or other worthwhile causes. There is a strength in numbers and there are many of us.

For the future of the newsletter, I am going to investigate having it printed up as a regular booklet. Try to increase the number of source records in each issue and increase the circulation. Thank you all for inviting me into your lives and research. It is the most satisfying project I have ever undertaken.

JUST PLAIN GOSSIP:

The third annual "get together" for all the family of Oscar Alexander and Calla Ann (Crawford) Hagan will be held the 1st Saturday in August each year, making this years fall on 3 August 1985. It will be held at Pioneer Park, Covington, Kentucky.

We send Get Well Greetings to Bert (Hagan) McGuire, Lindsey Having, Fred Hagins and any others of you out there not feeling quite up to par.

Jean, how about sending us more information on Joyce Oakley's new baby. We love to get all the details.

Marvin Barker has moved, hope his new accommodations are all he desired.

We are very thankful to know that Fred Hagins has been released from the hospital. Here's hoping that your recovery is complete

We want to welcome all the people who are receiving this for the first time. There are over twenty of you being added this month, it is wonderful to know so many of you are interested in our search for our beginnings. We may spell the name many different ways, we may not be anything more than kith, but our kinship lies in our common interests.

THANKS TO:

Jean Mearns for sending us the Hagan Herald.

Tom Hagan for sending us all the back issues of the Hagan Researchers Newsletter together with a lot of additional information.

HAGAN HISTORICAL SOCIETY - NEWSLETTER

December 1984

From: Tom Hagan, Box 12346, North Kansas City, Missouri, 64116

CHRISTMAS GREETINGS TO ALL:

This is the time of the year when we slow down a little on our usual activities to greet friends, relatives, and loved ones. I really don't have time for this "newsletter"; what with my grand daughters coming from Texas and all, but so much has happened that I felt I wanted to share the good news with each and every one of you. Items are taken at random. Disregard the order. (I'm not an orderly person, anyway"!))

A woman in Florida has contacted me but I'm not at liberty to release her name yet. She has some 5,000 HAGAN and related names on her computer. Unfortunately, her computer is much different than mine and there is no software available compatible to both computers! For this reason, it may be a while before we can get the information on to my computer. This is a VERY NEW DEVELOPMENT. As soon as arrangements are made, I'll let you know all about it. She also has the names of many other people who are researching the Hagan name.

CHRISTMAS WITH THE FAMILY - a wonderful opportunity to carry a tape recorder and draw the older members of the family into a conversation. Stories of trials, tribulations, heartaches, fun, dancing; incidents of all kinds that would help a genealogy to take on a more personal meaning. You might want to try the idea.

INQUIRIES - The following requests for information have been made:

James Hagan, b: 1803 in Ireland, M: Jane Gerlichner, 4 children - Sussannah, b: 1835 New York - William, b: 1839 Alabama - Arthur, b: 1842 Alabama - John, b: 1845 Missouri. --- Refer to John Hagan, % this office.

John Henry Hagin, b: ca 1865/70 - M: Mary E. Hardin - one of their children is Grace Nellie Hagan, b: 1892 in Iowa. Mary's father was James Hardin, U.S. Senator from Ill. 1855/1865. -- Ref. to Sinclair, Wash. % this office.

Asa B. Hagans, M: Henrietta Bybee in Missouri in 1911. Children - Bessie Thelma Lawhorn (Ks) - Helen Winfield Longino (Tenn.) - Vivian Lewis Hodson (Ks). --Refer to Delores, Mo. % this office.

Raphael Hagan, served in Rev. Army from Maryland. M: Rebecca LaVelle (or Lavielle). Daughter Elizabeth Ann, b: 1823. Eliz. Ann M: John C. Russell in Mo., son of John & Eliz Ann was Henry Hagan Russell, b: 1851 M: Medora Brown in 1873. Refer to Sophia, % this office.

Higgins family in Kansas - Refer to this office.

James Augustus Hagan, b: 1859 d: 1920 from Greenville, S.C. his wife was a Lauderdale. (His father was a red headed Irishman - does that sound familiar!) Had a brother named George Hagan who moved to Kansas. His other brothers never left South Carolina. Refer to Leona % this office.

An item from the Genealogical Society in Columbus, GA. caught my eye. The Chattahoochee Valley State Community College in Phenix City, AL. now has a Learning Resource Center with a Genealogical Collection. They have all Alabama censuses through 1900 and many Georgia Censuses through 1880, maps of all kinds, a small collection of family histories, and many County histories. If you would like more info., let me know and I'll send you a copy of the note in their publication. Those of you near Phenix City might want to spend the day there sometime. Remember, those "Alabama Census" records frequently give a lot more info than the U.S. Census.

Interested in Troup County, GA.? There is an archives in LaGrange, GA. I can send you an announcement on that also.

In January, I'll try to have more on our "Florida Connection" and a complete list of members who have authorized the release of their name and address. If you DO NOT WANT YOUR NAME & ADDRESS RELEASED you should notify me at once.

Have a good Holiday Season. May God's blessings be upon you all.

THE HAGAN HISTORICAL SOCIETY

NEWSLETTER

VOL 84 - # 3 -

Many forms of census reports have come in. Most of them do not have all the information that they should have. Be sure to include year with each census and all of the information that is given on the census sheet; not just that information that is given in the index or soundex.

Change of address: change the address of JUDY BECK on your records. She is now at - 6240 Baldwood Dr., Douglasville, GA., 30135

PUBLICITY - I have written to the ALEXANDER CITY OUTLOOK and asked that they publish a series of 6 to 10 articles on some of the historic questions that refer to the area covered by their paper. If you have an idea for an article or want to write one or more of the articles, send it to me. They likely will publish something if it has some reader appeal. Mention as many families as you can, places, dates, incidents of interest, etc.

Myra Vanderpool Gormley writes a syndicated column called SHAKING YOUR FAMILY TREE. I do not know how large the circulation is but we have been mentioned in it. To wit: "We are a group researching the Hagan, Hagin, Hagans, Hagins, & Higgins - a Southern Family. --" It goes on to give my name and address if anyone is interested. Had one call from a lady here in K.C. and we are to meet soon.

Have sent in the information on our "Historical Society" to:
Muscogee County Gen. Soc. - Columbus, GA.
A newspaper in South Bend, Ind. that has a genealogical col. plus querries.
THE ANTIQUE TRADER in Ohio.
Heart of America Gen. Soc. here in K.C.

A recent newsletter from the N.E. Alabama Gen. Soc. announced the publication of a Tract Book of CHAMBERS COUNTY, AL. It contains the names of the original settler to whom the land was sold with legal description of the land. Book to be released Dec. 10, 1984. The price is \$ 20.00 postpaid. 200 pages or more - softback. I'll send the full announcement to anyone that is interested.

On the reverse side of this newsletter is a copy of MEMOIRS OF MISSISSIPPI sent to me by Joan Wiggins. Is this the Charles Hagan who was in Coosa County? His date of birth doesnt agree with what we have on Edward/Hearty in other places. - ? -. The article says Edward & Hartie had 12 children. Do we have all of their names?

I still think that the Edward/Hartie family holds a key to a lot of our questions. I do not think we have all the answers yet. Many of you have mentioned that you are confused; so am I! But we must keep on trying; looking back over our notes, digging out information.

I have started consolidating the information that we have on people named Hagan or married to one named Hagan. It is going to turn out to be quite a volume of work to get it on the computer and will take a lot of paper to print it all out but maybe it will give us a clue.

Last but not least, I'm sure that I will have to make a trip to Alabama this coming spring. Our trip to Texas convinced us that we do not want to spend next spring in the Rio Grande Valley so we have about decided to come back to beautiful Alabama. Would really like to find a cottage, cabin, house, or other facility on Lake Martin near Alexander City that we could rent (furnished) for the later part of March and most of April. If you know of a place, please try to get the information to me.

If I am able to come to Alexander City, I'd like very much to have everyone get together for 2 or 3 days of talking about the ancestors. What do you think? Would it be productive? I know it would be fun!

Any suggestions for the next newsletter? Send them to me.

January 1985

WHAT GRANDMAS & GRANDPAS ARE MADE OF
(Written by an anonymous third grader - not mine)

A Grandmother is a lady who has no children of her own. She likes other people's little boys and girls and they love her. A Grandfather is a man Grandmother.

Grandparents don't have to do anything except be there. They're old, so they shouldn't play hard or run. It is enough if they drive us to the store where the pretend horse is, and have lots of dimes ready.

If they take us for walks, they should slow down past things like pretty leaves or caterpillars. They should never say "hurry up". Usually they are fat, but not too fat to tie your shoes. They wear glasses and funny underwear. They can take their teeth and gums off sometimes.

It is better if they don't play cards, except with us. They don't have to be smart, only answer questions like "How come we can't see God?" and "Where does the wind come from?"

They don't talk baby talk like visitors do, because it is too hard to understand. When they read to us they don't skip or mind if it is the same story again.

Everyone should try to have one, especially if they don't have television, because grandmothers and grandfathers are the only grownups who've got time.
oooooooooooo

Just had to share that one with you as most of us fall in that category of grand something-or-other! It was in our church newsletter last month.

Christmas and New Years are over now. It's time to get back to work and greet the new year with all kinds of new energy in research. Didn't the presence of children and grandchildren at Christmas make you more determined than ever to find out the real truth about your ancestors? I know it did for me!

From the queries in the last issue, we've had several responses. Those have been passed on to the proper parties. Thank you, all.

We have a new member in Florida by the name of BETTE HAGINS KELSO. She publishes a newsletter also, but with a much larger circulation than ours. In her computer, there are some 5,000 Hagans or related names. Now don't sit right down and write to her as she receives some 30 letters per day asking for free information. If you have a name or two you desperately need to run through, send it to me in the following format:

NAME, YR BORN, WHERE BORN OR LIVED, FATHER/MOTHER NAME, SPOUSE NAME.

Also, be sure to include a self addressed, stamped envelope. I'll collect several of these and see if she will look up a group for me. I'll also be sure that I don't have anything in my computer on the same name.

Bette's newsletter is WHERE HAVE ALL THE CHILDREN GONE. It is a good one and she frequently mentions other researchers who might be willing to answer letters. SUBSCRIPTION RATE - \$10.00 PER YEAR A very reasonable rate.

Bette and I are currently trying to find some way to transfer the information from her computer to mine. They are 2 different brands and languages. Will let you know if we get it accomplished. If any of you want to do it manually, come on up to K.C. and I'll show you how to type it in. Will furnish "free room and board". Or, if any of you use or have access to a Radio Shack Model 4, (my program will not work on a model III) and want to do it, I'll be glad to send the program disk and format to you along with the data for you to do there! Is'nt that a deal! No, not really, and I know it!

Perhaps I should mention some of the surnames I have in file. These are in some of the Genealogy's that I have put in the computer.

CALDWELL	PINSON	ROBINSON
NEIGHBORS	BRYANT/BRIANT	BRYAN
HOLLAND	HAGIN(S)	CONAWAY
NEWBERRY	BLANCHARD	WARD
HORNBuckle	LACKEY	YARBAROUGH
DUNDON	HENRY	WOODSON

I am especially interested in the following surnames who were in, around, or had someone in or around, Coosa County, AL in the mid 1800's:

SPELMAN	PATTERSON	WALKER	BULLARD
---------	-----------	--------	---------

Sorry there isn't much "news" for this "newsletter". I have been very busy trying to get all the names into the computer for each of you. So far, I have over 700 entered and have only scratched the surface.

It is imperative that I change my format. Each disk will hold only about 500 names with my present format. The new format will include only:

NAME - YR BORN - WHERE BORN OR LIVED - SPOUSE - FATHER (if avail)
only those born prior to 1900 will be entered. All will be under a code for the person who sent in the name. Inquiries will be forwarded to that person.

Using the above format, please be sure to send me your family names that you can help with, if you have not done so already! We need to be sure that we all have a part in this.

On another page, I have provided each of you with a list of the members & their addresses. No one seemed to object so here they are! Feel free to write to each other. Also, maybe you have something to contribute to the next newsletter. If you should ever want to send me an "original" of some kind, be sure to mark it "please return". I'll put it through my copy machine and get it right back to you!

To those of you who have written to me and have not had a response; be patient, please. I'll get to it one of these days before too long.

By the time you get this, I will be in Hawaii for a week with my family. While I'm basking in the sun, watching the pretty girls on the beach, I'll think of each and every one of you! (You believe that, don't you?)

Best regards

HAGAN HISTORICAL SOCIETY - NEWSLETTER
February - 1985

From: Tom Hagan, Box 12346, North Kansas City, MO 64116

PLANS FOR THE REUNION - April 12 & 13, 1986 seems to be the very best time to get together. Melba has arranged for a meeting place at the Kawliga Creek area on Lake Martin. There is a motel there, picnic grounds, a restaurant, etc. It is not far to Wind Creek State Park where RV connections and camping are available. If you have any specific questions, write or call:

Mrs. H.J. (Melba) Hagan
Rt. 1, Box 168
Alexander City, AL
35010

office and home phone -
(205) 329 2583
Home only -
(205) 234 2922

IF YOU PLAN TO ATTEND, PLEASE, PLEASE DROP A NOTE IN THE MAIL TO MELBA. Let her know when you will arrive & where you plan to stay. I will be at Lake Martin beginning April 1st. My phone will be (205) 329 0294. My mail address will be "GENERAL DELIVERY", Alexander City, AL, 35010. Melba, however, is the one to contact. I will be out on the lake fishing!!!!

In talking with other members, this "reunion" is likely to be more of a "social" than work session. It would be nice to have people bring a large cardboard chart for display but that would be a lot of trouble. There will be time to talk to everyone for ideas on research etc.

I will be there and will have my portable computer (as well as my video camera) with me. I can print out any info from my files, that anyone desires. I'm sure others there will have info available, too. Can all of you make it?

This is the last Newsletter I will send out until the middle of May as my wife and I will be traveling from Mar 1st to April 30th. Keep sending news items to me in K.C. I will be back sometime!

In Nov., I made a trip to East Texas and enjoyed a brief visit with Gloria Welch. She and her husband now live in Whitehouse, TX and, would you believe it, only about 5 miles from "The old Hagan place" where my Grandfather raised his family! What a small world!

LIST OF MEMBERS AND PROGENITORS is enclosed with this newsletter. I did not include the Genealogical & Historical Societies, Professional Genealogists, and other misc people that receive our newsletter. Cheryl Wedgeworth and Helen P. Horne are new members. We welcome them to our group.

MY FILES have been revised - yes, again! I simply had to have more room! I now have all surnames that do not begin with "H" on another disk. There has been some confusion as to how my files are listed. The following fields have been set up FIRST NAME; YEAR BORN; STATE BORN; NAME; PARENT; SPOUSE; SOURCE CODE; NOTE1. The computer can search any of these fields and print the results in alphabetical and/or numeric order. Names of people born in 1900 or later have been removed from my search file. I'm concentrating on those born in the 1800's and prior. With this system, some families will be incomplete as children born after 1899 will not be shown.

Data is recorded from members and then distributed to the proper disk. Searches are made weekly to see if I can find duplicates. A time frame and place frame is essential. In some instances I "guess" at a date and/or place and follow it with a "?" to indicate "estimated". When you receive your print out of your ancestors, be sure to correct and/or verify dates and places and advise me!

Some of you have asked when to send postage money. Look at your address label on each newsletter. Preceding your name is a date (Month/year). This is the date you are asked to "renew your subscription". Please check your address label. It is possible that I failed to record your renewal or address change. Let me know if yours is incorrect in any way. Now that isn't hard, is it?

A NEW SOURCE of information - WILLIAM YATES, P. O. Box 237, Ozark, MO 65721 has a "Family Group Sheet Exchange" business. I have sent fees to him to see what he has on HAGIN & HAGAN and he has asked for a print out of all names in my file in family sheet form. This will be sent to him. Anyone who inquires about a Hagan/s - Hagin/s surname, will receive notice of our organization. As soon as I receive info from him, you will be notified if it relates to your family.

HAGAN HISTORICAL SOCIETY - NEWSLETTER

May 1985

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

Greetings to all of you! My, what a spring to remember! Out trip to Texas and Alabama was just great! Those of you who missed the reunion April 12/13 really missed a great time! Melba and Joe Hagan "did themselves proud" on this one! Melba arranged for excellent meeting space & an historic picnic area. Joe was busy turning the whole affair into a family reunion. He did a great selling job to get so many of his family out! We all had a wonderful time and met a lot of "kissin' Kuzzins"! A list of those attending is printed on the back of the list of current members - (see page 3 & 4)

MELBA HAGAN reviewed the Minutes of the Old Shiloh Baptist Church at the Samford Univ. Library in Birmingham. They now have this document on microfilm. Also, she contributed the Minutes of the Fish Pond Primitive Baptist Church, established in Coosa County, AL, in 1842, and these are also on microfilm. Neither is indexed but she did write down all the names of people who joined Fish Pond prior to the year 1900. I have that info on the computer as Elizabeth Hagans, sister of Edward Hagans (my gr grandfather), was a charter member. Some of the others included Sherrod P. Hagans, a Martha Hagans (unidentified), Lorena Hagans Watson, and others. Write to me if you want a name checked.

Since this list includes "date & reason for leaving", it was especially interesting to me. This church forbade men to sit with their wives; men were required to sit on one side of the church; the women on the other.

In the Samford Univ. Library, we found a good account of THE WILLIAM PULLEN (1757-1845) FAMILY. We think he may have been a brother to the father of Sarah (Sallie) Pullen Hagans. If some of you are interested in that, let me know. (send 4 stamps or 73 cents for postage).

About WILLIAM HAGAN - from "NORTHERN ALABAMA HISTORICAL & BIOGRAPHICAL" reprint from an 1888 publication by Smith & DeLand, Brigham, AL - reprinted 1976. (Copied in Samford Univ. Library in Birmingham - T. Hagan)

"William Hagan, born in Denmark, April 9, 1845, is a son of Carl Fredrick & Elizabeth Hagan. He came to this country in 1863, landed at Quebec, going thence to Chicago, where he followed his trade (that of moulder) for several years. Soon after the late war, he came South on a prospecting tour, and in 1872 located at Rome, GA, and remained until 1879. In that year he came to Gadsden, where, in partnership with John Flynn, he established a small foundry and machine shop. In 1883, Mr. G.E. Line came into the firm, and they organized and established the Gadsden Foundry and Machine Works, with a capital stock of \$10,000. This was the first working concern started at Gadsden, and the success of the enterprise has been even greater than it's founders ever expected.

Messrs. Hagan & Flynn purchased Line's interest in the foundry and Machine Works in March 1887, and are now it's exclusive owners.

Mr. Hagan was married in September, 1872, at Rome, GA, to Miss Jennie Martin, and their two children are named, respectively, Daisy and Fredrick. Mr. & Mrs. Hagan are members of the Methodist Episcopal Church, and Mr. Hagan is a member of Knights of Honor and Knights of Pythias."

Note: I was especially interested to learn of one named HAGAN coming from Denmark instead of Ireland or Scotland!

✓

About JAMES HAGAN - I picked up an article about a James Hagan from "A HISTORY OF ALABAMA AND DICTIONARY OF ALABAMA BIOGRAPHY" vol 3 - by Owens. The following info is condensed from that article. "Born 1821 in Ireland and died in Mobile, AL. Came to America with his father who was a farmer in PA." Was "a member of an old Irish family, some members of whom emigrated to Louisiana about the year 1800 --". He became a Brigadier General in the C.S. Army. "Two uncles of Gen. Hagan served under Gen. Jackson at New Orleans. The Hagans were successful merchants in New Orleans and Mobile and owned large estates in LA and MS. He married Bettie Oliver, daughter of S.W. Oliver of Conecuh." In another article from ALABAMA - HER HISTORY, RESOURCES, WAR RECORDS, & PUBLIC MEN from 1540 - 1872 by Brewer, we learn that one of James' uncles was "John Hagan, a wealthy merchant of New Orleans ----".
Note: If someone wants a copy of these articles, let me know.

About SAMUEL PERRY HAGIN of Ragland, AL - from "A HISTORY OF ALABAMA AND DICTIONARY OF ALABAMA BIOGRAPHY" vol 3. - by Ownens. Condensed info:
Born near Ragland in Calhoun County, AL, 14 Mar 1868. Son of James M. Hagin, a native of GA born in Atlanta, and went to Etowah County in 1863. James was a farmer and died in 1903 at age seventy five. Samuel went to school in Gadsden until age 21. He was a clerk in Phillips Bros (merchandising) & J.F. Hensey (company ?). Moved to Ragland and entered the store of J.R. Brown. In 1898, he became a member and director of the Ragland Coal Company, as Vice Pres. and also manager of W.T. Brown's store and commissary. A Democrat, member of Free & Accepted Masons, lodge 515, and Knights of Pythias, 186, Ragland. He wedded Esther Brown in 1890, a daughter of Oakley Brown and Catherine (Lawrence) Brown, a resident of Talladega County, and afterward of St. Clair. Three Children: James E.; Eva; & Mamie Lee ".

NEW MEMBERS - We have so many new inquiries about THE HAGAN HISTORICAL SOCIETY that I have printed a new list of people considered active in our group. If there is an error here, let me know at once!

In most cases, I have not entered the names of ancestors of the new members into the computer. Please do not write to the new members yet! At this writing, I'm not sure they all want to become members or agree to exchange information.

Some special notes on two new inquiries: BOBBIE EDWARDS of Vicksburg is a descendant of Charles B. and Louisa Ware Hagins. Thus, she belongs to the Edward/Hartie group and Rev. War Edward. -- CHARLES R. MOORE of Charlottesville, VA sent me a large chart starting with THOMAS HAGAN, wife Mary, born before 1670 - will dated 1714 in Charles County, MD.

TO ALL OF YOU - If I have never sent you a print out of your ancestors from the computer, please let me know. I have lost track of some details. Yes, I could look it all up but it's easier to ask you to tell me! Saves fishing time, too!!!!!!

POSTAGE has gone up! Can you spare a couple of bucks to help with postage? I have placed a date (MM/YY) after each name on the address label to indicate when it's your time to send in a couple of dollars. This has been spread out so that I dont have to do a lot of accounting. If anyone feels unable to send in money, write me and say so. We do not want to lose a source of information for two dollars! Look at your address label on this newsletter and act accordingly when your time comes.

OFFICERS - When we started, I agreed to serve as Pres. to get the ball rolling. Isnt it about time to have a full slate of officers? Let me know your feelings and I'll include a review of all opinions in the next issue.

NEW MEMBERS - L. E. Hagins has been added as a member although I do not have anything from him saying he would like to join us. His name came from another member and is added "tentatively". HERITAGE BOOKS also receives our newsletter for their files but they are not considered "corresponding members". I have a note from them saying " -- THE HAGAN HISTORICAL SOCIETY newsletter will be menioned in the 'highlights' section of a future issue of HERITAGE BOOK NEWS. It will also be listed in the GENEALOGICAL PERIODICAL ANNUAL INDEX beginning with the 1985 edition." Perhaps this will notify interested parties that such an organization exists.

BOOKS - The purchase of books can become expensive. Have you a good "source book" that other members might like to see or have you look up something? Let me know and I'll include the name in a future newsletter. I recently purchased: (1) A HISTORY OF THE ROBINSON FAMILY, (2) INDEX TO BIBLES AND FAMILY RECORDS OF U.S.- vol II, (3) INDEX TO FAMILY RECORDS OF SOUTHERN STATES. Number 2 & 3 above have not been examined closely but do not seem to have very many names of Hagan or spelling variations of Hagan.

SPLIT FILES - My files on Ancestors of members of THE HAGAN HISTORICAL SOCIETY have grown past one disk size. I split my files into 2 disks; one with all names that begin with H, and one with all names that do not begin with H. Are you sure that I have recorded your ancestors in my computer? If not, let me know and I'll check it out! It is our best source to find others interested in the same family name.

CHARLESTON, SC - I found the following last spring in Charleston, SC.

From the book PASSPORTS ISSUED BY THE GOV OF GA - 1610 - 1820"

"Thomas Rutledge, Edward Hagan, Joseph Jackson - permission to pass into GA - 03 May 1801 - and Charles Burk" -issued at Tallahassee.

Found this in a "private" library. Does it make sense to you? Have you a theory about it? It wasnt Edward/Martha; must have been Edward Simeon! Bill Sherwood's THE HAGINS OF GEORGIA says --" Edward Simeon moved to Clarke County, GA with his father in 1802 -- " They must have gone to Florida from SC and then back up to Clarke County, GA. ---- Or was this the Rev. war Edward???? Could this be yet another Edward Hagan? What's your thinking? I have entered it into the MOBILITY file but have not identified Edward yet.

Joan has located some Bible pages that prove Edward/Martha and Edward/Gilly are not the same person. More on this next issue.

Melba has some responses to the idea of a reunion next spring in the Alexander City/Sylacauga area. Have you expressed your opinion to her? Would you attend? Should it be over a week-end? --- Or all week? What do you think!

HAGAN HISTORICAL SOCIETY - NEWSLETTER
September 1985

From: Tom Hagan, Box 12346, North Kansas City, MO 64116

Yes, the "good ole' summertime" is no time to do research! It is a time to travel and have a good time. We can get back to genealogy in the cold months of winter. At least, this is the thought expressed by several members.

Thanks for your contributions to "the Postage fund". Enough money has come in to pay for postage; at least, for the time being! Some of you even paid a year or so in advance! Thank you one and all for your generous contributions. Those who are "due" and have not sent in their 2.00 will not be dropped until they are past due more than one issue.

THE HAGINS OF GEORGIA - Woodrow Boyett is working on corrections to get this corrected. It should be ready in the next few months. At this moment, correct your copy to read "Daniel born 1791" instead of 1788. Other corrections to follow.

Dottie and I had a tremendous trip to Alaska; courtesy of our son in Texas. It is really beautiful up there. By paying extra, we spent 4 days in Salt Lake City on our return trip. What do you think I did those 4 days? Right, I spent almost all of my time in the LDS Library. Made a lot of notes (see Pages 3 - 6 of this issue). Hope they fit some of your ancestors!

L.E. Hagins, Lancaster, SC is searching for descendants of William Hagins, b: 1729 in Ireland, wife Mary. Came to America in 1745, with his brother John, and served in the Rev. War. as a colonel. Their children include William, Joseph, John, Sara, and Mary Cray (from his will). He is looking for something on the brother John.

Ruth Ann Hagan, Fay Robinson, & Mrs. Robt. Johnson are working on the same family. They have a copy of a print out showing mutual ancestors.

Elaine Stephens - I have very little on your ancestors born prior to 1800. Do you have any new info. Its possible you should be in the group above.

NOTES - If you have some notes that refer to Hagan families, please share these with us. Frequently, we write down some info, file it, and then forget about it. Be sure to include the source. Anyone have any used books for sale? This would be a good place to advertise them ----- and its FREE.

In the next few weeks, I want to check everyone's file to see that I have the very latest info on the earliest ancestor you know about. Are you sure that I have sufficient info to match your family with others? Dont miss an important source! If you are not sure, write and ask for a print out on your info.

FAMILY BIBLES - This is one of the most important items you can possibly find. Keep after relatives to look through their papers, letters, etc. Remember, no one but no one is as interested in the family history as you are. You must keep after them constantly!

ELECTION OF OFFICERS - In the last newsletter, I mentioned its time to consider new officers. Not one of you even mentioned this in any of your letters! Anyone willing to take a fling??????????

Querry space is available. Send me your querries. Who knows, you might turn up a wonderful "pen pal"!

REUNION IN APRIL 1986 - Melba Hagan and Dr. Garrett Hagan are working on plans for us all to meet in Alabama this coming spring. Are you planning to attend? Wouldnt you like to meet some of the people you've been writing to and about? Be sure to ask questions of either of them and let them know of your plans. Some of the "Florida bunch" has already indicated a sincere interest. Busses and trains serve Alexander City, AL. If you want to come and will fly, let them know and arrangements can be made to meet you in Montgomery or Birmingham or whatever. I will be there along with my wife and would really like to meet all of you.

I enjoy your letters. Keep them coming. Right now, I'm behind on writing but hope to catch up in the next few days. If you dont receive a reply to your letter to me in 2 weeks, write again. Sometimes I put one in a file and dont come across it again for some time.

Hagan Family

Joan Wiggins has come up with a Family Bible. She and Judy have been after the family for years and finally hit the jackpot! Some of the entries include:

Edward Warren Hagins died Jan 23, 1872 (judging from some of the other entries in this Bible, this may have occurred in Miss.) William Carter Hagins died August 15th, 1879 - Amanda Hagins died May 20, 1897 - Nancy A. Fanny Pitts died Dec 12, 1901.

Under a page headed "Miscellaneous":

"Vixburg, Miss, Box 27 / Charles Hagans / David C. Hagans / Arcada Hagins / William Hagins."

Since there is nothing to go with the Bible to explain who these people are, don't write to her and ask for more information. We just don't have it. We can safely assume that most of them are members of the same family but relationships are not shown or indicated. If any of these fit into your family, write directly to Joan or Judy and let them know.

There has been a guess that the Charles Hagans shown might be Charles B. Hagans; son of Edward & Hearty Porch Hagin.

The following notes were taken from my files. Just thought I would share them with you. They were collected in various places in the past 3 years. Some of them seem to relate to some of the ancestors we are looking for. Hope they may help someone.

"John Hagans one appraisement with John Fleming, Alex Crawford of John Barnett estate, 10 Jan 1785. Margaret Barnett applied for administrator 28 Aug 1784. Citation read at Waxaw Church (Camden Dist, SC)" - sent by Alameda Griffin 05 Apr 1983 "from a book of Camden Wills (SC) by Brent Holcomb".

From a book on Mecklenberg County NC wills by Brent Holcomb. (sent to me by Alameda Griffin 05 Apr 1983)

"William Hagins 1792 Mecklenberg Co., NC - wife Mary - 3 sons;
Joseph, John, William - dau; Sarah Crye, Mary Bastin -
to sons: Land where I now live in Indian bounds.
Proved: Oct session 1790"

"In the congregation of St. Joseph. Bardstown, (KY) previous to the year 1812, there were living several families of Hagans, all of whom were held in the highest esteem by their fellow Catholics. Among these were the families of Basil, Robert, & Alexius Hagan." from THE CENTENARY OF CATHOLICITY IN KY by ---- Webb - 1884. (This note sent to me by Fay Robinson some time ago.)

MISCELLANEOUS NOTES

#500 - HAGINS INN

"In 1827, the Lancaster Turnpike Co. initiated a regular stagecoach route
between Camden & Charlotte, NC. The horses were changed and passengers were
served meals at Hagin's Inn in Belair.

An 1840 plat shows Belair Village with three streets - Main, Mecham, and
Troup. Although the town was completely laid off into blocks and lots, Only a
few houses were built on the 98 lots. The town was never incorporated. The
last reference to the town was a deed transfer in 1878 from Robert Gordon to
Andrew Pinckney Spratt."

from "NAMES IN SOUTH CAROLINA" published by the Dept. of English, Univ. of
SC, Columbia, SC - Vol XXX; p. 32/33.

#501 - HAGINS GOLD MINE

"Hagins Gold Mine was owned by John T. Hagins who also operated the
stagecoach inn (Hagins Inn) at Belair."
from "NAMES IN SOUTH CAROLINA"; Vol XXX; p. 33

#502 - TAR KILN BRANCH

"Tar Kiln Branch is designated on some maps as "Tar Kill" and that is the way
local residents pronounce it, but the old records indicate that Col. William
Hagins who headed the Mecklenburg militia during the Rev. War, had Kilns for
turpentine-making on the branch, according to a letter from R. J. Hagin (a
great grand son) to Lyman Draper in 1873. Col. Hagins also built a cotton
mill and distillery on the branch. Spirits were made and there was trade with
the indians."

from "NAMES IN SOUTH CAROLINA" Vol. XXX, p. 34

#503 - WRIGHTSBOROUGH

"There were 65 Post Offices in Spartanburg County in 1896 (based on a list
from a directory of Spartanburg)" by Mrs. Julia H. Foster published in
Spartanburg Herald feature of Jan 3, 1932.
from "NAMES IN SOUTH CAROLINA" Vol. X, p. 32

<Editor's note - the article goes on to list the 65 postoffices. The last one
on the list is "WRIGHT". Could this be the Wrightsborough we have searched
for??? RE: "Edward Hagin born 1755 in Wrightsborough, SC".??????>

Mrs. Betty Rodgers 5/88

Dear Betty:

Above is a print out of all that I have of your ancestors. From looking at the info you sent to me originally, surely you have some more names and dates for me to try to connect with others.

As you can see, it is necessary that I have some sort of time frame for date of birth. It's also necessary that I have some sort of location.

I know that some of the info that I have printed above is incorrect. Some of the dates just dont figure out.

Wont you please look this over and compare it with your records in every detail. See that there is some sort of date for every birth. If you are not absolutely sure of a date, use a "?" after it to show that it could be different but not much.

Thank you for the cemetery inscriptions. Do you want me to copy them and return the original to you? I dont usually keep any kind of documentation. You will want to keep all of that in your own files. You will need it to write your genealogy.

Sincerely

Tom Hagan, Pres.

Greetings to all of you!

Please examine both sides of the attached copy. I found it in a member file and there is no indication of the source of the material.

If you can identify the book from which it was copied, please note the bottom of each page and return to me.

I am especially interested in "page 1542"; the reference to John F. Hagan born in Camden County, GA, Oct 14, 1815. Who is he? One of the sons of James? He must be related to Edward/Hearby in some way.

Maybe some of these names ring a bell with you. If so, write directly to them (and let me know) for more information. Send SASE with every request.

ADDRESS LABELS, on the Sept. newsletter, were not brought up to date prior to mailing. Expiration dates of "subscriptions" to this newsletter have been corrected on this mailing. Sorry, I goofed ----- again! It might be wise for you to examine your address label to see if I failed to up date your record. There may have been more than one "goof"!!!!

FULTON COUNTY, ILLINOIS - Mary Lindenmuth has 2 volumes of Fulton County cemetery records and has offered to look up names for any member. Be sure to send SASE with any request. (See Aug newsletter for her address.)

MISC NOTES - Do you make notes on all Hagans when you go to the library? You should! Even if they do not appear to fit your family at the time, you may discover later that they do fit! Also, turn in Misc Notes to me for inclusion in the newsletter. Some member may be desperately in need of that little bit of info. Let's help each other as much as possible. Who knows, we may all be cousins and just dont have the into to put the family pieces together.

PUBLICITY - Some of the Genealogical Societies that have been receiving our newsletter have asked for info about THE HAGAN HISTORICAL SOCIETY to include in their publication. We are now getting more "national" coverage.

MYRA VANDERPOOL GORMLEY, at a seminar here in K. C., advised everyone to go ahead and print up their Genealogy now. "Do you realize you have over 65,000 traceable ancestors? It is likely you will never get all of them traced, recorded, and documented! You can always add to what you have printed," she said. ----- Her advice: DO IT NOW!!

MATCHES - Fay Robinson of Ft. Worth and Ruth Ann Hagan of Louisville, believe they have found a mutual ancestor. Also, we think but not yet confirmed, Ed & Faye Snyder of Dayton, Ohio, may have found a match with Joe Skeens, a professional genealogist in Prestonburg, KY. Fay, Ruth, Ed, - let me know! BRING YOUR RECORDS UP TO DATE - RECONCILE THE DATES WITH EACH OTHER AND LET ME HAVE THE CORRECTED DATES AND INFO TO PUT INTO THE COMPUTER. In this way, I can eliminate duplicates and make more computer space available -I need it!

HIGGINS - Info wanted on ancestors of STARLING TUCKER HIGGINS b: 1801 - Lauren County, SC. Believed to be son of JAMES HIGGINS. Does the name HANNAH FOWLER TUCKER mean anything to you? Querry by Joseph F. Higgins, 12-L Post Ridge Apts, Phenix City, AL, 36867.

HIGGINS - Info wanted - MARY CONWAY b: in Ireland, married a _____ HIGGINS. Children are BRIDGET HIGGINS, b: 1850 in MO or IL, m: Edmund Moriarty, Sr. - and, JOHN HIGGINS, b: 1851 in MO or IL, m: Nell Downing. Contact Letha L.M. Trebbe, 3801 West 13th - apt 906, Wichita, KS, 67203.

HIGGINS - I have copies of some Bible pages from the bible of a Higgins descendant sent to me by Mrs. Letha Trebbe. It begins with JAMES HIGGINS, b: 15 Sep 1775 & ELIZABETH HIGGINS (apparently his wife) b: 08 Aug 1783. Children include Sarah Y., John M., James M., Manthy V., Bushrod Washington, Elizabeth Adaline, Montgomery Pike, and Joseph Corksey. B. W. (or Bushrod Washington) married (1) H. G. Cromwell in 1833; married (2) Mary A. Harbert in 1854. The Bible was found in Missouri but "Births" are listed on a letter heard from Bellingham, Washington. The will of James Higgins was filed in Lafayette County, MO. All of the children were born between 1801 and 1819. Drop me a note, if these interest you, or write directly to Mrs. Trebbe.

NANCY A. FANNIE PITTS - This name rings a bell with me! Who has this name in their family background? I know that I've read or heard it but cant find out who it belongs to. Help me, please! (Judy & Joan - I know that it's in your line but there is another person out there somewhere with the same name in their line. Who is it?)

CALEB HALL - (ca 1809 - 1883) lived in Chambers County, AL - 1840 Census - any information wanted. REUBEN A. TURNER - b: ca 1834 - d: 09 Sep 1864 as a casulty in the Civil War. In Chambers County, AL (1855 state census) his mother was MARY A. TURNER. Any info please send to Mary Turner, 4 Buckskin Rd., Mineral Wells, TX 76067; the wife of a High School classmate of mine.

WRIGHTSBOROUGH, SC - Many of you are aware that we have tried in vain to locate this place. L.E. Hagins, Lancaster, SC advises us "A Writesborough, SC appears on a Lancaster County, SC map dated 1815. A Wrightsborough, SC once was located in Aiken County across the Savanah river from Augusta, GA". It is my opinion that the one in Lancaster County is likely the birth place of Edward Hagin, b: 1755. WHAT DO YOU THINK?

RECORD OF WILLS - Taken from files in a private library in Charleston, SC in April 1985. (Seems like there are a lot of "William Hagans" or one got around quite a bit!) WILLIAM HAGANS - York Co - Bk 2, p. 402. MARY HAGGENS - York Co. - Bk 1, p. 407 THOMAS HAGANS - Edgefield Co - Bk 1, p. 160A WILLIAM HAGANS - Edgefield Co - Bk 1, p. 130 (or 13 D -??). Hope someone has a copy. Send it to me and I'll print it in a future issue.

DEED - WILLIAM HAGAN - Deeded property in York County, SC ca 1774, to William Porter. Ref: Charleston County Deeds, Book M.4 - page 311.

CHARLES & EDWARD HAGAN - From Coosa County, AL "Accounts" Book H - 1858-1861. Page 209; Item 162 - "Rachel Chapman default judgement for 154.05 against Charles & Edward Hagan - S.T. 1858" - Believe S.T. means "Spring Term" which began on the second Monday in March.

DR. FRANCIS HAGAN - From Marriages & Death Notices - South Carolina Historical & Genealogical Magazine - Vol 18, (1917) p. 88 - "died - In St. Stephens Parrish, Dr. Francis Hagan - 30 Aug 1783".

QUERRIES - are welcome! Maybe you would like to remind people of the names you are most interested in. I have two side line families that interest me. WARD is one of them. There was a Ward girl that married a CALDWELL. Another Ward girl married a Hagan (Melba's Aaron Hagan). The other name is MCKINNEY. In my Bryant line, there are 3 marriages of McKinneys to Bryants and Hagans. It starts with a Harris McKinney who married a woman named Willingham. They lived in Alabama in the early 1800's - Coosa county we think!

MELBA HAGAN reports that she made a trip to Prentiss County, MS to visit with some newly found descendants of her PINSON line. She had a great time and some of them say they may want to get up a PINSON reunion. If you have any of the Pinson family in your line, you will want to contact Melba or me.

REUNION OF THE HAGAN HISTORICAL SOCIETY is planned for April. Melba Hagan and Dr. Garrett (Joe) Hagan are working on this. It is only a couple of months till April and time to make a decision; then let them know about your plans. Although we do not have a "stated purpose" from Melba and Joe, we assume that anyone interested is invited. Should it be on a weekend? Should it last several days? Let Melba and/or Joe know what you think and if you can attend. I plan to be there and will have my computer with me if anyone wants a print out of anything that I have on record. Will you be able to bring some of your charts? Maybe each of us should make a large chart for display.????

Do any of you need an update list of members and their addresses? When I refer to other members in the newsletter, you should feel free to write directly to them if you like. That is the purpose of our group! Maybe I should print a list of members and their addresses to send with the first newsletter in 1986???

Thanks to all of you who sent Christmas Cards. My wife and I enjoyed them. We spent Christmas with our son in Ft. Worth and got in a lot of "Grandbaby lovin' time" over the Christmas Holidays. The genealogy portion did suffer as I did not feel like spending the Holidays doing research! In fact, I didnt even feel like answering a lot of letters! I'm sure a lot of you felt the same way!

Now the Holidays are over! It is time to get down to some serious work. Dont wait for someone else to discover your ancestors; you can do it yourself!

I am so far behind in recording the information on each family that I dont know if I'll ever catch up! If you sent material to me in the last 3 months and have not received a confirmation print out, maybe you better drop me a note! One member, in Alabama, was concerned that I might be ill and called me on the phone! Wasnt that nice of her? Honestly, I'm sorry that I've neglected the entering of data but, well, what can I say?

4. issue of 10 Jan 1856 - marriages
"Rev. Joseph H. Norton to Susan B. Hagin all (both) of Macon County - (Ceremony Performed) by Rev. W. B. Jones 06 Dec 1856.
5. issue of 14 June 1860 -
"Early Cotton Blossoms" (a headline) - Mr. Joseph Hagan of this county has sent us several specimens of early cotton from his field on the 2nd. inst. (we were told that "inst." is an abbreviation for instant - meaning last or current). These are quite earlier than we have ever known blossoms hereabouts." (We assume this notice was written by the Editor of Southwestern Baptist Magazine.)

Querry - WILLIAM S. HAGAN - would like to hear from ancestors of William S. Hagan that went to Sweet Springs, MO, in the mid 1800's - Reply to Marcella Headrick, Tompkinsville, KY 42167.

Querry - Parents of Marie Johnston Hagin. Married Anthony Hagin (1846 - prior 1870). Do not have date of marriage. Children are: 1. Edward Alexander Hagin (1868-1931) m: Sarah Osteen. -- 2. Venson Hagin (1873) -- 3. Virginia M. Hagin (1871 - ca 1907) m: 11 Nov 1884 to Archibald Alexander Hartley (1861-1925). ---- 4. Christina Hagin (1874) -- 5. Antonia Theresa Hagin (1878-1954) m: John Riley Osteen.

Would like the name of wife of Thomas Hagin (1803 - prior 1870) and her parents. Name could have been Maria Davis/David? Children: 1. James Hagin (1827). -- 2. Theresa Isabella (1834-36 - ca 1868) m: 19 Dec 1850 James Nathaniel Hartley (1827 - prior 1870). ---- 3. Thomas (???). Both families lived in Mandarin, Duval County, FL.
Reply to: Bonnie Bass, 4158 Cumbrian Gardens Lane, Jacksonville, FL 32217.

This will about wrap it up for this issue. Keep on trying to find the TRUTH about your ancestors. Remember, noted genealogists say each person has 64,000 traceable ancestors. How many do you have listed?????

Genealogists also advise you should publish your information "now"! Don't wait "till you get it all" ----- you never will get all of it! After your work is published, you can expect a lot of "corrections" to come in from relatives and other sources. You can then publish a revised or second edition that will contain all the corrections and updated material that is furnished to you without asking for it!!!!

HAGAN HISTORICAL SOCIETY - NEWSLETTER

August 1986

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

NEW MEMBERS - please add names and addresses to your list.

Mrs. Vera Hagan 10003 N.E. 23rd.- A-B, Kirkland, WA 98033
Pro Gen: Edward Hagan b: ca 1780 in Ireland. Yes, another Edward to add to our list! He married Abigail Ross in Philadelphia. Children: Edward, Samuel, William, John, Sarah, & George. George was the youngest, born in 1824, and married Elizabeth Jones.

Mrs. Hilda C. Ferrell 504 Roscoe Rd Newnan, GA 30263
Pro Gen: Nancy A. Hagins b: ca 1800. Her son, Benjamin Hagins, born 1825 in SC, married Martha Griffin. Her daughter, Nancy Turvie Hagins, born 1825 in SC, (twins?) married William Adams. Both William and Nancy T. Hagins Adams are buried in Heard County, GA.

We welcome you both to our group!

WITH WHOM DO YOU CORRESPOND???? It is important that I have the names and addresses of any members that you already correspond with about your ancestors. In other words, I need to know if you have established a "match" with any other members! This could save a lot of time in printing out and notifying you of a match with someone you already correspond with! Your help will be sincerely appreciated.

BOOKS - Someone suggested we compile a list of books we have ordered and have available. It seems we all order books, from time to time, and some of us buy books that others can use. Maybe we should make a list of the books we each have and offer to look up info for other members. How can this be best handled? Will anyone volunteer to make lists of books on hand? Maybe we should send a dollar with each request to look up something to help defray the cost of postage and repay some of the purchaser's investment in the book. ????? Please let me have your thoughts on this idea.

FAMILY REUNION INVITATION - Lawrence Hagins sent me an invitation to a Hagins family reunion held Sunday, June 1, 1986 in Lancaster, S. Carolina. It is a great idea I want to share with you.

About the size of a wedding invitation, folded and on nice paper. FRONT - A picture of John McMurry Hagins with year of birth and death. "Son of Lemuel Stilton and Martha H. (Patsy) Belk Hagins". Year of marriage and names of her parents. Then, it lists the six children and their year of birth & death. INSIDE - Announces the reunion of descendants of the above, date, time place, etc. Instructions to bring covered dish, etc - bring family, friends, and old pictures, etc. - family portraits to be made - short business meeting announced.

This is a wonderful idea and provides a unique way to generate interest in a family reunion. Congratulations, Lawrence. Hope it was a big success.

VCR TAPES - In April, I took my video camera to the reunion in Alexander City, AL and took a few shots of (1) the people who attended the work session on Saturday, and (2) the people who attended the picnic-on-the-grounds at Fish Pond Baptist Church on Sunday. The camera was new and I am not a good photographer. In addition, tapes lose a lot of quality in copying. However, if you would like a copy, I would be glad to oblige. I can delete the sound recorded, as it is a jumble of people talking, and add my comments to identify people in the picture.

If you want a copy, send me a tape (new or used) and a couple of dollars for postage. I'll make a copy for you. If you prefer, send me 6.00 plus the postage and I'll buy the tape here. If you want it put on the end of a current tape you have, I can do that also. Oh yes, I use VHS - not BETA - format! If your recorder is BETA, I can send you a VHS tape but have no way to transfer it to BETA. I realize now that I should have set up the camera equipment and interviewed everyone. Guess I'll know better next time!

Have you a problem with info? Place a query in the next newsletter. There is no charge but I do ask that you write out the query exactly as you want it to appear. Don't spare details! We have the room! Also, some of you have sent some misc info. Please write this out as it is to be printed. You can write it much better because I would have to look up a lot of related info in order to put it in a form that could be understood. Mention whether it relates to your line or not. If you have something someone else might use, run it through here so that all may benefit from it.

Have you checked on lateral lines? Sometimes, a lot of help is available through the maiden name of some of the wives. In addition, it is a great source of "background" info for your primary line.

QUERY - Info wanted on NICHOLAS HAGAN, b: 1753 in MD, believed to be son of Benjamin & Monica Blanford Hagan of MD. Nicholas came to KY in 1795 with his father and settled on Pottinger's creek in Marion County, KY. He first married Elizabeth ---? and then married Sarah Cravens, a widow. Children include (1) Benedict Joseph, b: 1817 KY, m: Maria Jane McDaniel - and - (2) Lucinda Ann, b: ca 1820 KY, m: Benjamin Thomas Fulkerson. Write to Ruth Ann Hagan, 8209 Thixton La., Louisville, KY, 40229.

- (9) Charles B. b: 1826
Married Louisa M. Ware 10/27/1853 in Coosa County, AL.
Doc: This family is well documented in Census records and
Mississippi Archives including "MEMOIRS OF MISSISSIPPI" which
quotes Charles B. as saying he was "one of 12 children belonging to
Edward & Hearty.
- (10) Hearty E. b: 1830
Married Josiah Smith 03/21/1848.
Doc: This marriage took place in Coosa County, Alabama. We do not
have conclusive evidence to prove she is a daughter of Edward &
Hearty. However, we believe she is because (1) her name; (2) She is
living very near Edward & Hearty in the 1850 Federal Census; (3)
She would make the 12th child as quoted by Charles in MEMOIRS OF
MISSISSIPPI.
- (11) David C. b: 1833 never married
Doc: MEMOIRS OF MISSISSIPPI says he never married when quoting
Charles B. Hagin.
- (12) James b: 1836 ??
We have very little information on James but the 1850 Census
records of Coosa County, AL do verify that he was a son of Edward &
Hearty.
- (13) Sara A. b: 1838
married William Perry Bullard 03/17/1856 in Coosa County, AL.
Sara (perhaps the "A" stands for "Ann") moved to Mississippi with
William Perry Bullard. We have spoken with descendants of this
marriage and verified the documentation contained in Alabama and
Mississippi records.
- (14) Amaranth b: 1839
married William Newton Deason 03/03/1861 in Coosa County, AL.
Doc: Census, Alabama & Mississippi records.

reconstruction of a "back room" at my home, construction of a rock retaining
wall and steps, installation of a lawn sprinkler system, etc., our newsletter
is late, late, late! Sorry about that, folks! Will try to do better next
issue. Let me know what you have been doing for the summer!

HAGAN HISTORICAL SOCIETY - NEWSLETTER
OCT 1986

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

This issue will be short in order to include the names and addresses of all members, past and present. If you know of an organization, such as Genealogical Societies, Historical Societies, etc., that should be included on our mailing list, please let me know. Currently, we send copies to Genealogical Societies in MO, KS, AL, GA, SC, & TX. There may be others that should be aware of our efforts.

CAUTION - This list is confidential and only for the personal use of contributing members of THE HAGAN HISTORICAL SOCIETY. Unauthorized use, for any other purpose, is strictly prohibited!!!

It might be wise for you to list your THREE MOST PRESSING AREAS OF CONCERN as far as research goes. I will then select some of these to use as Querries in hopes that someone may have a suggestion for you. Is this a logical approach? Do you think it will work? Do you want to try it? Do you have a suggestion?

from MELBA HAGAN - this item from a news clipping in a Georgia paper "144 years ago today". - "Susan Hagan Brewton born 08-22-1842, died 10-20-1904. Susan Hagan of Bullock County, daughter of James & Keziah Cone Hagan, descendant of Robert Marlow, Revolutionary War Soldier of Screven County, GA Town of Hagan named for this Hagan. City of Claxton, GA joins town of Hagan (South Georgia).

Susan Hagan Brewton married second, Marshall Alexander Smith, b: 11-01-1848, d: 05/01/1923."

MRS. JULIAN MORGAN, Cedartown, GA, has been made a LIFE MEMBER. She is a direct descendant of Edward Hagan, b: 1755, and has contributed much to the information that we have on that line. She is over 80 years old and has decided to store her books and just enjoy life without the pressing pangs of research work. She will be carried on our rolls as an honorary member for life.

BETTE HAGINS KELSO - Many of us have been wondering why we hav'nt heard from her; so, yours truly took it upon himself to call and find out! She is recovering from 2 bouts with pneumonia this year. In addition, she will be moving soon as she and her husband have decided they no longer have a life in common, after 22 years, and will seek divorce. Our thoughts and prayers are with her. Her new address will be: 940 S. Orlando, Cocoa Beach, FL - 32931.

ADDRESS LABELS on each newsletter show a date (mm/yy) following your name. This is the date your "subscription" renewal is due. The rate was increased to 5.00 per year this summer as we now mail almost 100 copies each mailing. Examine yours now! See that I properly posted any cash or checks you may have sent in.

Please don't make me wonder if you are still interested. I hate to drop someone from the mailing list and will not do so if someone feels they don't have the money to spend that way. However, I have no way of knowing who is no longer interested. Write and tell me just how you feel!

BOOKS AVAILABLE - Several members have contributed list of books owned or in their possession. These books will be listed and the list published in a future newsletter. Most of the people who sent a list to me, offered to look up info for other members. This could be a great help to some who cannot get to an extensive genealogical library.

JUST SOME THOUGHTS -

I now have over 900 names (some duplicates) on the two disks designated as ancestors of members. One disk contains names of ancestors born 1840 or before while the other disk contains names of people born after 1840 but before 1900. "Fields" or designated area of data, include FIRST NAME: - YEAR BORN: - PLACE WHERE BORN: - FULL NAME: - PARENT: - SPOUSE: - SOURCE CODE: - MISC NOTES: -. If you have a special name you would like me to run through, just let me know. The computer can search and/or print out any of the above "fields" as the key to alphabetical or numerical order. It can also work with any combination of searches and/or print outs in any of these "fields". In other words, I can search and print by first name, full name, year born, place born (state), parents, and/or spouse.

If anyone would like a printed copy of all names or any special group, let me know and I'll help you decide just how you want it alphabetized (first name - last name - spouse - parent (this would be "family sheet" style), etc.

HAGAN HISTORICAL SOCIETY - NEWSLETTER

*** December - 1986 ***

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

Mary C. Greenway
258 Sharon Wells
Drive
Bluff 39532

At Thanksgiving and again at Christmas we count our blessings and are thankful. It makes me wonder just how our ancestors celebrated Thanksgiving and Christmas. They had no TV to watch the ball games; no recorded music to cheer their hearts; not even a microwave to warm the left over turkey etc. And yet, I wonder if they were'nt just as thankful as us for the blessings they did have; maybe moreso!

We spent Thanksgiving in Texas with our son and his family; attended the Hagan family reunion; fished; and made plans to return for Christmas. What would Christmas be without our two grand daughters to buy for! Genealogy will just have to wait till after the first of the year!

The cold weather has set in, the snow is falling, and we begin to look forward to our trip to "the deep south" in April. When you live in a cold climate, you really appreciate the opportunity to go where it's warm to say nothing of the wonderful friends there.

Dottie and I thank all of you for the nice Christmas Cards and letters. We enjoy hearing from all of you and wish you a very MERRY CHRISTMAS & A HAPPY NEW YEAR!

TWO NEW MEMBERS - Please add to the current list sent with the last newsletter.
Hagan, Clifton V., 19917 S.E. 188th PL., Renton, WA 98058. Cliff has not yet sent in a family sheet so we do not have a progenitor for him yet.
Bixman, Karen, 32921 Lake Huron, Fremont, CA 94536 - Pro-genitor: John Hagan, b: 1861 in Germany. - Karen inquired about HAGAN as a German name. I have had several inquiries indicating there were some Hagans of German descent. I thought the German spelling was HAGEN or HOGAN. Maybe we are missing a bet on the German line.

CORRECTION - On the list of members and their progenitors sent with the last issue, Alice Cole's progenitor should read LEONARD HAGAN, b: MD, d: 1837 KY. Sorry we made that mistake. Please correct your copy. ----- Sorry, Alice!

Is there an interest in getting together again this coming April? Should it be in Alabama? I plan to be in Alexander City during April. I know I'm going to get together with some of you that live in that area! I wouldn't miss it for the world! Melba and Joe did a whale of a job last year in providing a place to meet. Shall we ask them again? What do you think? Let me hear from you.

✓ QUERRY - Re: James Monroe Hagan - Desire information from descendants. Believe sons were in Memphis, TN area.

Re: William S. Hagan - born in Monroe County, KY., homesteaded in Woodward County, Oklahoma in the 1890's. Would like to correspond with descendants.

Smith, AR 72903.

EDITOR'S NOTE: If anyone has a confirmed date of birth for Charity Hagan, dau of Thomas, m: (1) James Green (2) Wm. McAtee, or any of her siblings, please let Tom Hagan know. Also need a documented list of children with year of birth by each marriage. Several members are researching this family (descendants of Thomas) and I'd like to get the correct scoop.

QUERRY - Would like to correspond with anyone who has info on:
John Hagans, b: 12 May 1824 in Lancaster County, PA, m: 22 Nov 1849 to Eliz Gowder who was b: 1831 in Lancaster Co., PA. His father was John Hagans, b: 1787, Lancaster Co., PA. Who was his immigrant ancestor?

Remember, newsletters are sent "as news becomes available". Send queries, news items, etc. to me for publication in the next newsletter. Have a great Holiday Season but keep working on your genealogical research.

CORRECTION - In the Dec 86 newsletter, we mentioned a German HAGAN name being researched by KAREN BIXMAN in Calif. The correct spelling is HAGEN. Please delete her name and address from membership records.

QUERRY Would like any information on any Hagans in area of Rockcastle County, KY in 1830. Also Van Buren & Cass county, MO in 1840. Also Bates & Jackson Counties, MO in 1850 & 1860. Will exchange info - Sue Ikerd, Rt 1 Box 574, Conway, MO 65632

While in Vicksburg, MS in March, 1984, I copied some info that may be of value. From: PASSENGER LISTS FROM IRELAND by J. Dominick Hackett & Chas Montague Early. pub by Genealogical Publishing Co., Inc

1. Edward Hagan - arrived 15 Jun 1816 from Londonderry on the ship "Marcus Hill".
2. James Hagan - from Enniscorthy arrived 06 Jul 1818 in Philadelphia on the ship "Only Son".
3. John Hagan - from County Tyrone from Londonderry arrived in 1811 in N.Y. on the ship "Westpoint" - The Shipmaster was Boggs - 36 days; 79 passengers; point of origin unknown.

Another book, RECORD OF NAME CHANGES, in the same library -

C. P. Hagan to C. P. Mahon. I failed to copy the date of this change.

(Editor's note: From another source, I learned this name change came about when C.P. Hagan, wanting to marry a Mahon girl, agreed to change his name to Mahon in order to claim a large dowery provided by the girl's father. She was an only child and there was no other way to perpetuate the name of Mahon. The father insisted on the name change and substantial financial consideration was provided.)

Re: DANIEL HAGIN, JOHN HAGGIN, THOMAS HAGGIN - A letter from Donna Cousineau included some lengthy, but interesting, info on the above names. From her letter - "This proves that John & Thomas Haggin were in KY as early as 1779 and were out of State until 1785/1786. This is when they must have been in NC. Since they were in a party who came from PA I believe they came from PA to KY then to NC and back to KY." Anyone wishing a copy of this material, it is from Ardery KENTUCKY RECORDS, Vol II - KENTUCKY COURT AND OTHER RECORDS. I can make a photo copy for you.

from: A HISTORY OF SCOTT COUNTY, VA by Robert M. Addington (copied while in Nashville, TN in the spring of 1984 by Tom Hagan)

"Patrick Hagan, born in County Tyrone, Province of Ulster, Ireland, 02 Feb 1828 and immigrated to America in 1844. His father was John Hagan and his mother was Ellen Campbell Hagan. He became a partner with his brother in a grocery business in Richmond, VA at age 17. He was admitted to the bar in Scott County, VA in Aug 1854. Married Mrs. Elizabeth Grubb (nee young), daughter of Jonathan & Sallie Roberts Young. They had eight children (names not listed) and he died 23 Feb 1917; buried in a private cemetery near his home at Sulphur Springs, Scott County, VA.

1158 - JOHN HAGAN is entitled to 100 acres of second rate land ... on the East Fork of Little Barren beginning....(legal description follows).

Editor's note - Marcella's note says "While searching through some Cumberland County, KY land records, I came across these." It is my opinion that William, Samuel, and John are brothers. The print appears to be a page out of some sort of book (page # 54). I think all the entries are of the same date - Oct 20, 1798 - with William & Samuel being on p. 91 and John beginning p. 92 of the record book.

From what appears to be page 34 of the same book as page 54 above -

939 HUGH HAGANS is entitled to 200 acres of second rate land .. on the waters of Little Barren River. Beginnin at a post oak on Fredrick Skagg's line...(legal descriptstion follows). Note: another entry on page 34 of this book indicates the # 939 may have been on page 55 of the record books and dated Sept 3, 1798.

More details may be obtained from Marcella Headrick, Tompkinsville, KY 42167.

Editor's note: Our hats are off to you, Marcella. A letter from another member states that Marcella helped a tremendous amount with the location of additional search resources in her line. It is help from each other like that which makes it practical for us to band together in a common effort. It also makes me feel that my time in publishing a newsletter is not entirely wasted. Take Marcella's lead, all of you. See if you can help someone else!

PATRICK HAGAN - Several of you are interested in Patrick Hagan. Charles J. Gallagher (see Oct newsletter) has established that his Mary A. Hagan b: 1860, was the daughter of Patrick & Ellen Hanbidge Hagan b: IRE. Patrick & Ellen were married 1858 in Dublin, IRE. Patrick's father was Tully Hagan who was deceased at the time of Patrick's marriage. Mary married (1) -- McLaughlin & (2) Charles Gallagher. Charles J. Gallagher, Jr., 1720 Mary Ann Drive, Gautier, MS 39553.

"This was taken from the Census Book on Wright County, MO by Elizabeth Ellsbury". Sue goes on to say "there are many mistakes in reading these, so it would be a good idea to check the the microfilm." HOW TRUE THIS IS! How often have we checked a census only to go back and find something overlooked the first time!

WHAT DO YOU THINK??? - I have the feeling that my present system may not be working to the best advantage. In May, I would like to begin a "LOCATION INDEX". I could go through all the files and dig out Names, places, etc, but feel this is more work than I want to tackle; especially right at the beginning of fishing season! Please begin listing 4 or 5 of your earliest ancestors. Show Full name -- year of birth --- County/State/Date --- Died
Year of Birth - use "?" after the date if you are unsure.
County/State/date - make separate entrys if he/she moved and show a year if possible ---- Died - County/State/Date where died or buried.

Send the list to me and I'll enter into a data base format on the computer. I can then MATCH families in the same LOCALITY even if the names are different. Please print the lists and send to me. Avoid long explanations as I will not have room for them in the computer. LIST ONLY YOUR EARLIEST ANCESTORS.

HAGAN HISTORICAL SOCIETY - NEWSLETTER

*** MAY - 1987 ***

From: Tom Hagan, Box 12346, North Kansas City, MO., 64116

Back to the work shop in K.C. from a wonderful trip to Texas and Alabama! What a beautiful way to spend each spring! We meet so many terrific people on these spring trips. Didn't do much research but had a wonderful time.

Did you know that Woodrow Boyett has been very ill? I have a card dated May 6 that says he is just out of the hospital. Seems he had surgery on his right elbow on March 20; it became infected and subsequently turned into blood poisoning. All this on top of his diabetes. He is staying for a month at a "retirement" home to take advantage of nutritional meals and night care. Take care of yourself, Woodrow, we need you! Hope you are much better by now.

EXAMINE YOUR ADDRESS LABEL ON THIS ISSUE - There is a date (mm/yr) following your name. This is the month your subscription is due. (\$5.00 per year). See if your records agree with mine. I could have failed to record some one's letter or check. Check yours carefully and let me know if it is not correct.

I'm sending many of our "dropped" members a copy of this newsletter just in case some of them want to reconsider and stay with us.

CONSOLIDATED BACK ISSUES of the newsletters are now available. There are some 15 pages covering the period from our organizational bulletins in 1984 through all of 1986. I've had several requests for back issues and have removed all of the "chit-chat", membership lists, organizational info, and personal notes. Remaining is Queries, misc data collected by members, the full account of all children of Edward/Hearty which Woodrow and I compiled. If enough people are interested, I'll go ahead and index it. Send \$4.00 if you want a copy. That will cover the cost of printing and mailing. If only 2 or 3 want copies, I'll not index it.

NEW MEMBERS: Please add to your list of members -

A note from Joan Wiggins. She has a letter from a lady in Arcadia, LA which tells of a WILLIAM HAGAN who is buried on some property owned by this lady. William was the great grandfather of her husband (Jack Ray). He (William) married LUTECIA MEREDITH in Talladega County, AL.

William Hagan, b: 15 Nov 1817; d: 07 Jun 1890

Lutecia Meredith, b: 1828; d: 09 Oct 1865

Both buried in Givens Cemetery, Arcadia, LA and parents of neither are known.

Children of William & Lutecia:

Margaret (Maggie Fleming) married W. S. (Reese) Ray

Mary E.

Saphronia Henderson

3 children died before their father's death.

The obituary states that William Hagan and Miss Luticia Meredith married at the residence of J.D. Copeland in Talladega County, AL, June 15, 1843

Joan did not explain why Margaret & Saphronia had last names other than Hagan. We assume Margaret was married to a Fleming and then to Mr. Ray while Saphronia married a Henderson. Hope this will be of some help to someone. Thanks Joan.

Query - Anyone with a HOLLIS family in their line?

It is believed that Moses Hollis married Rosannah Hagan. Her estate was probated 20 Oct 1817; Administrator, her son John Hollis. Moses died in 1794. They came to Fairfield County, SC from Fairfax County, VA ca 1764. Write to: Patsy R. McMichens, 6799 Bethel Road, Dora, AL 35062.

Keep working on your ancestors info! Let me know if you have a query to place in the next newsletter; also, if you've recently had a "break through", let me know how it happened! It might be a clue for other members.

Feel free to write directly to her for any additional information, fees, etc.

HAGIN-HOLLAND WHITE OAK TREE - Mr. Hubert G. Holland has written a paper, published in The Dallas (County - Georgia) New Era, on "THE HAGIN-HOLLAND WHITE OAK TREE" grown from an acorn planted by Archibald and Elizabeth Hagin Holland in 1836. The tree is seventeen feet in diameter at the base and has been designated an Official State Seed Tree by the Georgia Forestry Commission. Acorns are gathered from it each year and planted in a State Nursery. Seedlings are propagated and sold under the name of HAGIN-HOLLAND WHITE OAK TREES each year. Seedlings may be purchased by writing to Ms. Sharon Dolliver, Director, The Hagin-Holland White Oak Tree Project, Georgia Forestry Commission, P.O. Box 819, Macon, GA 31298-4599."

JOAN WIGGINS called me to advise she has located a descendant of Daniel & Elizabeth Newsome Hagan, brother of Edward/Hearty. We are awaiting her family sheets and info. I know all of us will be glad to learn more about Daniel and his descendants! Maybe she can tell me why Daniel was living with my Charles in 1860 after Elizabeth died. Were they brothers? Cousins?

WRIGHTSBOROUGH I have a letter from Robert Scott Davis, Jr dated 05 July 1987 concerning the location & identification of "WRIGHTSBOROUGH, SC" which we show as the birth place of Edward Hagan, b: 1755. Mr. Davis is a well known genealogist in Alabama who also has written and published several books on genealogical resources available in the south. The letter says in part:

"Thank you for your letter. Because the Wrightsborough, GA Monthly Meeting was part of the Bush River, SC Quarterly Meeting and for a time part of the North Carolina Yearly Meeting, it has been often given in the wrong state. Wrightsborough Quaker Township was located more or less near Thomson, GA in McDuffie County. "

Mr. Davis also gave me an address for the Historic Wrightsborough Foundation. ---

Alice Cole wrote that she has discovered, through THE HAGAN HISTORICAL SOCIETY, a brother to her Leonard Hagan, Bennett Hagan, and also found their parents were; Ignatius and Magdalene Hagan. It is good to learn that we are helping each other.

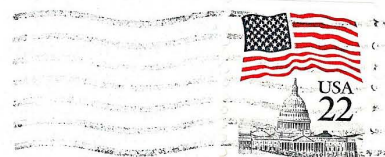

Woodrow Boyett, my good friend, Cousin, and a charter member of THE HAGAN HISTORICAL SOCIETY has published his work in a book about the Mallory family. Mary Hagans, sister to my Edward/Martha Hagans, married (1) Robert T. Mallory - (2) Wiley Reed. The book is very well written, and documented, as though Woodrow was telling the story of his family to his parent's fourteen grandchildren (his own nephews and nieces). I do not know if Woodrow has any extra copies or the price but you could write to him if you would like a copy.

QUERRY - Elijah Wright Harlan m Margaret M. HAGAN in 1818 and Hannah Harlan m JOHN HAGAN in Barren County, KY. John Hagan moved to MO and died there. Their children: Jemima, Bennet, Arthur, John, & Elizabeth. Elizabeth m Daniel Elkins and at one time lived at Mount Vernon, MO. Margaret M. Hagan and John Hagan were sister and brother to Jane (Jennie) Hagan who married William Rush in Barren County, KY. The Hagans were children of Arthur Hagan and Jane Means who came from Washington County, TN to Barren County, KY and lived in that part which was formed into Monroe County, KY in 1820. Jane and William Rush moved to Wayne county, IL about 1854/1855. John Hagan Rush, their son and his family moved to Cedar Vale, Chautauqua Co, KS in 1870 along with Elizabeth Cable Sartin with most of the Sartin Sons and their families. (Anyone with a corresponding line please contact Helen Spore, Rt. 5 - Box 285, Kildare, OK 74601).

DUES - We have no "dues" per se. Most members send \$5.00 per year to help with postage etc. The date (MM/YY) following your name on your address label shows when your "subscription" expires. I assume, unless otherwise advised, that people who are not willing to help with postage have lost interest in their family line. We will not drop anyone from our mailing list merely because they do not help with postage. We do not want to eliminate any possibility of additional info for members. If you have questions, write to me personally.

ADDRESS CHANGE My wife and I will spend Jan, Feb, & Mar. of 1988 in Florida. Mail will reach me at 1016 Firwood Av., Spring Hill, FL 34609. We will leave Kan City about Dec 20th; go to Texas for Christmas, and be in Florida after Jan 10th. I plan to take my computer, files, etc with me to keep up with correspondence as much as possible.

page 2 - July 1987

We have records that Edward's father, Edward b: 1755 SC, was born in "Wrightsborough, South Carolina". After several letters and replies to authorities in SC, I felt the community of Wrightsborough near the present city of Augusta was likely his place of birth in 1755.

However, in light of the above information, it seems possible that "Wrightsborough, SC" could easily have been located in what is now Georgia or Alabama. Anyone care to follow this further? -- Tom Hagan

ALABAMA MAPS - The book mentioned above contains maps of Alabama showing counties back as far as 1800. Dates of other maps include 1808, 1809, 1812, & 1815. These dates show Alabama as "Mississippi Territory". Beginning with 1818, they show Alabama Territory" and in 1820; merely "Alabama". Alabama map dates are 1820, 1823, 1825, 1830, 1832, 1840, 1850, 1870, & 1903. Let me know if you'd like me to look for something on these maps.

After writing the above, I received a letter from Elaine Cross with a copy of an article from an Atlanta paper. It tells of a new book - QUAKER RECORDS IN GEORGIA: WRIGHTSBOROUGH, 1772-1793; FRIENDSBOROUGH, 1776-1777 by Robert H. Davis, Jr. Friendsborough was a community within the township of Wrightsborough. I have ordered the book and hope to have it in time to report any new findings in the next newsletter. There is an indication that we may finally have confirmation of just exactly where Edward was born.

THOMAS R. HAGAN - A note from Marcella Headrick, Tompkinsville, KY 42167 -----
From "Orders --- Monroe County, (KY) Court - Regular March Term.... 7th day of March, 1893 - This day came THOMAS R. HAGAN whose age is 53 years height 5 3/4 feet, weight 145 pounds, hair dark, and eyes dark, and proved by two witness that he was a man of good moral character, and the clerk of this court, upon the payment of fees and cost is directed to issue to him PEDDLERS license for Monroe County, Kentucky."

Editor's note - this is the kind of info which might be of help to someone. It gives info which identifies the person by name, location, and year of birth. Thank you Marcella. We hope someone can identify with this Hagan.

WILLIAM HAGAN, b: ca 1817, married Letitia ca 1844/5. A letter from Woodrow shows in great detail, how William would fit in to census records to be the missing son of Edward/Hearty. If any of you care to work on this further, write to Woodrow. We are still trying to be absolutely sure of our names in this family.

A GRANDBABY STORY - While visiting us over the 4th of July, my grand daughter, age 8, was writing my address down and asked "Is there a State of Missouri?" I assured her there was and asked if she had not studied geography in school yet. Her reply was: "Heck no, we havent even studied biography yet! Amusing to a genealogy hound!"

Don't fall into the "summer doldrums"! Keep up your research! Try some work in an air conditioned library near your home. Take advantage of the inter-library loan plan.
